COMPLIANCE WITH REGULATION (EU) PPWR (2025/40) & REACH (1907/2006/EC)

To our customers

Subject: Compliance with European regulations: PPWR (Regulation (EU) 2025/40), REACH (1907/2006/EC), heavy metals and PFAS/SVHC/POP substances.

Product range : elastic string, pallet securing cords

1. Overall Compliance : On the basis of the documentary declarations and analysis reports provided by the manufacturers of our raw materials, Erich Baumeister GmbH certifies that all its packaging and products considered as packaging under EU2025/40 comply with the following regulatory criteria:

- The packaging covered by this declaration does not intentionally contain substances of concern within the meaning of Regulation (EU) 2025/40 (PPWR).
- Heavy Metals (Art. 5 PPWR / Directives 2005/20/EC & 94/62/EC): The sum of the concentrations of lead (Pb), cadmium (Cd), mercury (Hg) and hexavalent chromium (Cr VI) in packaging or packaging components shall not exceed the limit of 100 mg/kg, as set in article 5.4 of the PPWR.
- PFAS / PFOS / PFOA substances: No per- or polyfluoroalkyl substances are intentionally introduced during the manufacture of our products & packaging
- Design for Recycling art. 6: The packaging is designed to be recyclable in accordance with the criteria set out in the PPWR. The packaging contains no components or materials that hinder large-scale recycling processes.
- Minimalization of weight and volume (art. 10 & 24): The packaging is designed to limit volume and weight to the strict minimum necessary for the safety, hygiene and acceptance of the packaged product (excessive empty space has been avoided).
- REACH Regulation (1907/2006/EC) & SVHC / POP: The components of the products contain no substances of very high concern (SVHC) listed on the updated ECHA list (< 0.1% w/w), nor any persistent organic pollutants (POPs / Stockholm Convention).

2. Analysis Report : Erich Baumeister GmbH states that it holds all the reports produced by independent testing laboratories confirming its compliance with the regulations governing the substances contained in the packaging and product components. If required, the test reports can be requested from our quality department via quality@nico.be , specifying the relevant product references.

3. Confirmation & Notification : Erich Baumeister GmbH confirms that the information contained in this statement is accurate and undertakes to inform its customers of any changes that may affect these statements.
